

2017

4RUNNER

TOYOTA

THE TRAIL DOESN'T END UNTIL YOU TELL IT TO

THE BEST ADVENTURES IN LIFE
AREN'T FOUND ON A MAP.

Toyota trucks are made for the kinds of conditions you'll find in Canada. We know that because they have been tested all over the world, in some of the toughest conditions imaginable. That spirit continues with the 2017 4Runner. Even on uncharted roads, the 4Runner performs with the confidence of an SUV that's driven there a hundred times over. It offers outstanding power thanks to a 270 hp V6 engine, a reinforced body-on-frame construction, and a towing capacity of up to 2,268 kg (5,000 lb.). And with four unique models to choose from, including the new TRD PRO with its exclusive heavy-duty, off-road features, there's a model suited for every type of explorer and any type of adventure. The 2017 4Runner is created ready. Ready to impress, ready to discover what's around every corner, and ready to conquer what's found – today and tomorrow.

SR5 V6 with TRD Off-Road Package shown in Barcelona Red Metallic.

- Power Rear Liftgate Window

COMFORTABLY TAKE CHARGE

ENJOY EVERY EXCITING MOMENT.

An adventure spent planning every next move isn't an adventure. That's why we've thoughtfully designed the 2017 4Runner for every unpredictable moment that lies ahead. The available Full-Time 4-Wheel Drive and locking centre differential give you the power and control you need to take on every type of trail, while the standard Downhill Assist Control (DAC)⁹ and Hill-start Assist Control (HAC)⁹ give you the added traction when handling steep hills and descending slopes. No matter how rough the road is, 4Runner's commanding interior ensures that you always travel in style. With soothing materials, convenient features, and advanced technology all at your fingertips, you'll be fully prepared for whatever comes your way.

SAFETY COMES IN NUMBERS 4Runner comes standard with 8 airbags¹ and Toyota's Star Safety System™. These active safety technologies are designed to give you the confidence you need to drive on any terrain. And with the fact that over 85% of Toyota sold in Canada in the last 20 years are still on the road today¹⁰, you'll have peace of mind you can count on for years to come.

SR5 V6 with TRD PRO Package shown in Alpine White.

NEW VEHICLE WARRANTY SUMMARY

– No deductibles – no transfer fees

COMPREHENSIVE COVERAGE

3 YEARS OR 60,000 KM. This warranty includes 24 hour Roadside Assistance and other benefits, as well as coverage of repairs on any part of the vehicle that is defective in material or workmanship under normal use and maintenance. Different warranties apply to original tires.

POWERTRAIN COMPONENTS

5 YEARS OR 100,000 KM. This warranty covers repairs to powertrain components that are defective in material or workmanship under normal use and maintenance.

MAJOR EMISSION CONTROL COMPONENTS

8 YEARS OR 130,000 KM. This warranty covers repairs to specified major emission components that are defective in material or workmanship under normal use and maintenance.

CORROSION PERFORATION

5 YEARS/UNLIMITED DISTANCE. This warranty covers any sheet metal found, under normal use, to have developed a perforation from corrosion due to defects in material or workmanship.

TEST DRIVE AND EARN AEROPLAN[®] MILES TODAY

You can earn AeroPlan^{®11} Miles when you purchase, test drive, or service your vehicle at a Toyota Dealership.

Speak to your Dealer for full details.
